PREPAID CUSTOMER ACCOUNTS

Walkenhorst's prepaid account program was designed with you and your families in mind. Opening an account is simple and after your account is open, you can place an order with us anytime. When you open a prepaid account, not only is the ordering process easier, but you will also receive many benefits.

– NO LIMIT –

Multiple family members and friends can contribute money towards your package.

– NO MINIMUMS –

No minimums on what you can contribute

– YOU'RE IN CONTROL –

Choose when your order is placed by submitting it yourself or having a friend or family member place it on your behalf.

– NO FEES –

That's right! We do this service for free.

– NO EXPIRATION –

Your account stays open until you request that it be closed.

– NOT A LAYAWAY –

You choose what you want in your package when you're ready to submit your order. We don't force you to commit to items that you may not want later.

– KNOW YOUR BALANCE –

We will automatically send you statements every quarter to remind you of your account balance.

To open a prepaid account, have your family and friends contact Walkenhorst's and deposit money on your prepaid customer account for you or you can send us a trust check directly. Once the money is on your account ordering couldn't be easier, simply send us an order or have a family member or friend order on your behalf.

Account funds can only be used for Walkenhorst's packages to be sent to the account holder (Inmate). Account refunds will be issued to the payer on written request by the account holder. Trust check deposits are non-refundable. Applicable account credits will be issued for items returned that were paid for with a prepaid account. Maximum allowed account balance is $1,500. Terms and conditions are subject to change.

Many states have requirements regarding dormant or abandoned accounts. If there is no activity on your account for a period of time (typically 3 years but can vary by state and local laws) your account will be considered inactive. Before your account is considered inactive, Walkenhorst's will attempt to contact you regarding your account status. If you are non-responsive, Walkenhorst's may be required to turn over the funds in your account to your state as unclaimed property. Your funds can then be redeemed directly from your state. When an account becomes inactive a $5 dormancy charge may be assessed.

Music

Looking for Music? Walkenhorst's offers over 250,000+ standard CDs and millions of songs available for custom mix CDs or preloaded music devices. CDs are Quarterly Package items only. To order a free Walkenhorst's Music catalog, just include **item# 17021-501** on your next order or call, email, or write to let us know you would like a music catalog.

Create your own custom CD, or preload music on your MP3 player. Pick just a few of your favorites or make the ultimate mix. If you previously purchased a preloaded device from Walkenhorst's, you can also return your device to Walkenhorst's to add additional content. Our music catalog still contains a large selection of standard CD's, so you can continue to buy albums from all your favorite artists; however, now you can purchase all of your favorite songs without purchasing the whole CD!

We suggest that you provide alternate songs in case we are unable to send a requested song. If you select a song that is not available or not allowed, we will substitute it with your alternate selection. If you would NOT like a custom CD to be shipped without all of the songs you ordered, check the box that indicates this on your custom CD order form.

Each custom CD can hold up to **78 minutes** of your favorite songs. If your selected songs exceed the maximum CD length of 78 minutes, your last song selections will not be added to the CD and you will be issued a refund for the removed songs.

Please check your facility's guidelines regarding music content. If you select a song that contains explicit lyrics and it is not allowed at your facility, a refund will not be issued for the custom music order once it has been created. If your facility does not allow explicit lyrics, but you are unsure if a song contains them, please include alternate song selections on your order form.

Since a custom music order will be created uniquely for you, all custom music sales are final (unless defective). If a non-defective custom CD or preloaded device is returned to us, please inform us within 30 days where you would like the custom CD/preloaded device to be sent. If we are not informed within 30 days, your CD/preloaded device will be recycled. The charge to ship a CD/preloaded device to a new location is $7.99.

We strive to make sure that all our CDs are created correctly; however, if you receive a nonfunctioning CD or a CD that contains a song that is not playing properly, please give the customized CD to a property officer to contact us. Once we have confirmed that you received a defective CD, we will replace your entire CD. If the CD is returned to us and we are unable to verify the defect, the CD can be reshipped to you for a shipping and handling charge of $7.99. No refunds will be provided if an incorrect song is selected because of incomplete information.
